4. **Summary of work completed in the reporting week** *

Team worked out connecting the database, and still working on it. Creating a new user works and allows for login. Started on recipe popup database retrieval but encountering errors.

5. **Summary of work planned for next week** *

We will attempt to finish connecting the database to the front end. At the very least we plan to have the recipe popup and selection working, errors pending.

6. **(Optional) Open project issues and action plan to resolve them**
